

SAFEGUARD OUR SENIORS TASK FORCE

**Worried About Being a Victim of Financial Fraud?
Become Part of the Solution!**

Every day, hundreds of Floridians fall victim to financial fraud. Many trusting seniors are misled by unscrupulous agents and scam artists into making risky or inappropriate financial investments such as annuities or reverse mortgages.

The Safeguard Our Seniors initiative lets older Floridians know what services are available to help them avoid financial fraud.

As part of ongoing efforts to meet with seniors about her Safeguard Our Seniors (SOS) Task Force, Florida Chief Financial Officer Alex Sink will host a roundtable discussion with senior investors and financial experts. The roundtable discussion is one of several CFO Sink is hosting to help better protect Florida seniors against financial fraud.
